

We Follow the Lamb

by: David Denis, Calie Myrick, and Joy Roberts

Original Key: A
6/8 Time // 70 bpm

Verse 1:

1 5/7
Called out from a story of self-centered glory
6m 5 4
The King has made us His own
1 5/7
The lives we now offer we give to the
6m 5 4
Author of Life and the pen that He holds
4 5
Our dreams and ambitions we lift to Your throne
4 5
In Your hands we commit them and wait
4 5
On every page let Your glory be known
4 5
Through tears and through death we will say

4 5
We wave to the shore of the land we once knew
4 5
For - saking the comforts it gave
4
We cast now our gaze
5
To the land we'll call home
4 5
And sail toward the storms in its way

Chorus:

1
We follow the Lamb wherever He goes
5/7
Through mountain and valley,
6m 4 5
In danger, in sorrow, our lives are Yours!
1
Like a virgin who keeps herself for her groom
5/7
Let all our affections cry out for You
6m 4 5 (6m 4 5) 4
And sing, "Ho - ly God!" ("Ho - ly God!")

Verse 2:

1 5/7
Raise up your sails, for our mission can't fail
6m 5 4
We embark for the harbor called Grace
1
Though seasick from grieving,
5/7
We go on believing
6m 5 4
Our Captain will show us the way

Verse 3:

1
No mocking or beating
5/7
Will keep us from speaking
6m 5 4
The Name that's above every name
1
If the breath that we've borrowed,
5/7
Be taken tomorrow,
6m 5 4
Re - jice, for we share in His shame
4 5
O God, grant us wisdom to number our days
4 5
Not living for things we can't keep
4 5
No cost is too great and no price that we pay
4 5
Can compare to the crown we'll receive
