Verse 1:

4 5 6m
There's a river running through my veins
4 5 1/3
It's the overcoming joy You gave
4 5 6m
And where the water meets the western sky
4 5 1/3
There I'll find my hope the day I die
4 5 1
Yes, I'll find my hope the day I die!

Verse 2:

4 5 6m
See the muddy water on my hands
4 5 1/3
The outcome of my foolish plans
4 5 6m
But I've found a fountain wide and deep
4 5 1/3
And I'll wash within its healing streams
4 5 1
Yes, I'll wash within Your healing streams

Chorus:

6m 4 1 5
All you thirsty come, seek and you will find
6m 4 1 5
A river flowing East to Paradise
4 5
Forsake your wells of shame
1 6m
That stole the hopes they gave
2m 5 1
Come, drink the living water of God

Verse 3:

4 5 6m
Like the moon which pulls the ocean's tide
4 5 1/3
Take Your hand and draw me to Your side
4 5 6m
In the moments of my unbelief
4 5 1/3
Remind me that You'll never leave
4 5 1
Remind me that You'll never leave

Verse 4:

4 5 6m
The deepest lake could never hold
4 5 1/3
The secret life You have in store
4 5 6m
So in rain or drought I'll ever sing
4 5 1/3
"Your living water's all I need!
4 5 1
Yes, Your living water's all I need!"
